

INSTRUCTIONS TO BIDDERS

Project: Turk Residence expansion

Location: 115 East Ave – Pine Ridge subdivision - Naples

Project Description: Addition to an existing residence

Preliminary pricing was developed in July. However, the plans are now complete (some finish information will be developed as the project gets underway) and have been submitted for permit. I am expecting a permit any day now and construction is scheduled to begin in January.

Project Architect: CAD – Peter Catuzzi

Bid due date: **On or before Jan 10 by noon**

Attn: James McVey

By email jmcvey@jlmcvey.com

E-mail James McVey at jmcvey@jlmcvey.com with all construction and/or bidding questions, call the architect or engineer direct (contact info on plans).

Plans and photos of existing conditions are available for your review and download at the “projects page” on my web site:

www.jlmcvey.com

Any blueprinting company should be able to print whatever pages you need at your expense from this web site, however, you will be responsible for all information on all pages.

Please reply to this invitation via email and let me know if you intent to bid or not.
